Religious Education

The School follows the Essex Agreed Syllabus for RE. We teach our lessons through three different lenses : Theology (thinking through believing); philosophy (thinking through thinking); and human science (thinking through living). These lenses support our aim, which is that our children can hold balanced and well-informed conversations about religion and worldviews.

The school has created links with several faith groups and regularly invites speakers into school to lead assemblies, such as Rev. Malcolm MacDonald from St. Mary's Church and parents from other cultures.

Parents who wish their children to be withdrawn from RE and collective worship should consult with the Head teacher and alternative arrangements can be made.
